WEST VIRGINIA LAW REVIEW

Volume 96

Summer 1994

Number 4

An article by Justice Richard Neely, West Virginia Supreme Court of Appeals, entitled, *Insider Trading Prosecutions Under the Misappropriation Theory: New York's Joke on Heartland America*, was originally scheduled for publication in this issue. Justice Neely decided not to publish this article due to a dispute over its editing, a dispute that did not involve the Executive Board of Volume 96. Those pages originally designated for the article will not be reassigned. Pagination for the remainder of the issue will begin with page 905.
