Search Strategies

The following search strategies were built for the systematic review related to the below registered protocol. The search was originally designed in PubMed, then translated to the other databases. Search peer review was performed by Anna Crawford.

Registered Protocol Information:

Kate Jochimsen, PhD, ATC, James Doorley, MA, Jennifer Monnin, MLIS, W Kelton Vasileff, MD, Cale Jacobs, PhD, ATC, Stephanie Di Stasi, PT, PhD, Ana-Maria Vranceanu, PhD. The relationship between psychosocial factors and patient-reported pain and function in individuals with non-arthritic hip disease: A systematic review and meta-analysis. PROSPERO 2021 CRD42021248562 Available from:
