Recommended Citation

T. W. Arnold, *Appellate Practice and Procedure in the Supreme Court of the United States*, 35 W. Va. L. Rev. (1929).

Available at: <https://researchrepository.wvu.edu/wvlr/vol35/iss2/23>

This Book Review is brought to you for free and open access by the WVU College of Law at The Research Repository @ WVU. It has been accepted for inclusion in West Virginia Law Review by an authorized editor of The Research Repository @ WVU. For more information, please contact ian.harmon@mail.wvu.edu.

where pedestrians are injured by falling into a coal hole, boarding and alighting cars, etc. There is also a complete trial, giving the order of direct examination and cross examination. The grounds of divorce in the various states and territories in the United States are set out in the last section. The book is not an addition to the literature on how to try a case. It however constitutes a very convenient instrument to refresh the memory of an inexperienced lawyer about to try a case under a form of action with which he is not absolutely familiar.

—T. W. ARNOLD.

A TREATISE ON THE LAW OF BANKS AND BANKING. By John T. Morse, Jr. 6th ed. Revised and Enlarged by Harvey C. Voorhees of the Boston Bar. 2 vols. Boston, Mass. Little, Brown and Company. pp. c, 2134. (1928).

This is a sixth edition of this work. It has not been substantially changed, although the new work includes all the legislative amendments to the banking bill. The new edition will be a very useful reference work in any lawyer's library.

The general plan and content of the work are already so well known that a review of them will be superfluous. The book will continue to be as it has been in the past, a valuable reference work in any lawyer's library.

—T. W. ARNOLD.

(1) FEDERAL APPELLATE JURISDICTION AND PROCEDURE. By Elijah N. Zoline. 3rd edition by Alexander Holtzoff of the New York Bar. New York. Clark Boardman Company. pp. xcvi, 792 (1928).

(2) APPELLATE PRACTICE AND PROCEDURE IN THE SUPREME COURT OF THE UNITED STATES. By Reynolds Robertson. New York. Prentice-Hall, Inc. pp. xxxix, 360.

(1) This book is the third edition of a work which is already known to the bench and bar and has been widely used as a reference work. The reason for the publication of a new edition at this time is the changes in the Federal Appellate Jurisdiction and Procedure caused by court decisions and statutory amendments,

particularly amendments to the Judicial Code adopted in 1925 and by the Act of July 1, 1928. In addition to that the book brings down to date the cases and notes in the former edition. It is a very convenient and well arranged reference book on questions of appellate jurisdiction and federal procedure.

(2) Another book on the same subject, *Appellate Practice and Procedure in the Supreme Court of the United States*, deals with the same subject in a less extended manner. It is an attempt to set out a chronological outline of the steps necessary to perfect a writ of error or appeal to the Supreme Court. It does not attempt to be an exhaustive treatise but only a useful handbook to guide the steps of those unfamiliar with the practice.

—T. W. ARNOLD.
