"FREIGHT RATES AND CHARGES"

Laws, rules and regulations governing the
Construction, operation and development
OF

Railroad freight rates and charges

in their application to

Interstate and foreign commerce

Covers all questions involving the legal status of different kinds of rates—Establishment of rates—Changes in rates—Quotation of rates—Assessment of rates—Payment for transportation—Factors and elements in rate-making—Justness and reasonableness of rates—Comparison of rates—Advances and reductions in rates—Maintenance of rates—Investigation and suspension of new rates—Jurisdiction of Interstate Commerce Commission, and many other vital subjects set forth in Table of Contents..

The purpose of the work is to state the present law governing every proposition involving freight rates and charges in a manner that is readily understandable in its application to everyday problems.
