

Important Things to Know About Athletic Training:

Sub-disciplines/Specialties:

Age ranges
Sport levels
Sport type

Vocabulary:

MeSH

Professional Organizations:

National Athletic Trainers' Association
Mid-Atlantic Chapter of the American College of
Sports Medicine

Other Important Groups:

Commission on Accreditation of Athletic
Training Education

Prestigious Journals:

Journal of Athletic Training
Journal of Applied Sport Management
Journal of Sport Rehabilitation

Top Databases:

PubMed
SPORTDiscus
Physical Education Index

Open Access Repositories:

SportRxiv

Important Conferences:

Mid-Atlantic Athletic Trainer's Association
Symposium

Other Scholarly Communication Venues:

JAT Podcast
ACSM Blog

Current Topics:

- Sudden death in exercise
- Supporting athletes safely in the pandemic

Other Important Notes:

- Moved to HSC Fall 2020

Relating to Your Faculty:

- Be aware of what your faculty are researching/journals for possible publication or additional resources

**Check Faculty Research Portfolio and Interactions Notes

Relating to Your Students:

- Gear instruction toward them
- Use their specific assignments if you can
- Use few pronouns when instructing (i.e. "PubMed is important for you because X. PubMed is also helpful with Y. This is how you search in PubMed.")

Important Things to Know About **Emergency Medicine**:

Sub-disciplines:

Pediatric Emergency Medicine
Radiology - *Emerging

Vocabulary:

MeSH

Professional Organizations:

West Virginia College of Emergency Physicians (WVACEP)
American Board of Emergency Medicine (ABEM)
American Academy of Emergency Medicine (AAEM)
American Academy of Emergency Medicine Resident and Student Association
American College of Emergency Physicians (ACEP)
American College of Osteopathic Emergency Physicians Graduate Medical Education Committee
American Osteopathic Board of Emergency Medicine, Association of Academic Chairs of Emergency Medicine
Association of Academic Chairs of Emergency Medicine (AACEM)
Council of Emergency Medicine Residency Directors (CORD)
Emergency Medicine Residents' Association (EMRA), Society for Academic Emergency Medicine (SAEM)
Society for Academic Emergency Medicine Resident and Medical Students

Other Important Groups:

Resident Review Committee for Emergency Medicine (RRC-EM)
Accreditation Council for Graduate Medical Education (ACGME)

Prestigious Journals:

Emergency Medicine Journal
Annual Update in Intensive Care and Emergency Medicine

Top Databases:

PubMed
- SafetyLit – includes journals not in ↑
CINAHL
COCHRANE (EBP gold standard)
Scopus
Web of Science

Open Access Repositories:

ABEM Annual Report

Important Conferences:

Integrative Emergency Services (IES) Patient Safety Conference

Other Scholarly Communication Venues:

Emergency Medicine Milestones Project:
- Joint initiative of: ACGME, ABEM
- Milestones designed by: AACEM, AAEM, ABEM, ACEP, CORD, EMRA, RRC-EM, SAEM
- Focuses: Knowledge, Skills, and Abilities (KSAs)
Longitudinal Study of Emergency Medicine...
- ... Residents (LSEMR)
- ... Physicians (LSEP)

Current Topics:

- Radiology --- emerging sub discipline

Other Important Notes:

- ABEM (American Board of Emergency Medicine) certification

Relating to Your Faculty:

- Be aware of what your faculty are researching/journals for possible publication or additional resources

**Check Faculty Research Portfolio and Interactions Notes

Relating to Your Students:

- Gear instruction toward them
- Use their specific assignments if you can
- Use few pronouns when instructing (i.e. "PubMed is important for you because X. PubMed is also helpful with Y. This is how you search in PubMed.")

Important Things to Know About Occupational Therapy:

Sub-disciplines:

Children & Youth
Hand Therapy
Health & Wellness
Mental Health
Productive Aging
Rehabilitation & Disability
Work & Industry
OT Assistants

Vocabulary:

MeSH

Professional Organizations:

West Virginia Occupational Therapy Association (WVOTA)
West Virginia Board of Occupational Therapy (WVBOT)
American Occupational Therapy Association (AOTA)
National Board for Certification in Occupational Therapy (NBCOT)
Occupational Therapy Association of California (OTAC)
California Foundation for Occupational Therapy (CFOT)
Hand Therapy Certification Commission (HTCC)
American Society of Hand Therapists (ASHT)

Other Important Groups:

Prestigious Journals:

American Journal of Occupational Therapy
OT Practice Magazine
SIS Quarterly Practice Connections

Top Databases:

PubMed
- SafetyLit – includes journals not in ↑
CINAHL
Cochrane Library
Scopus
OT Seeker – SRs, randomized controlled trials
JBI CONNECT – EB resources
Web of Science

Open Access Repositories:

Important Conferences:

American Occupational Therapy Association Conference

Other Scholarly Communication Venues:

AOTA's Occupational Therapy Channel (Podcast)

Current Topics:

- Challenges:
 - Reimbursement
 - Unclear Vision of Value of OT
- Become more Interprofessional/Team Based
- Increased number of practitioners working in a primary care environment
 - Reimbursement

Other Important Notes:

- Annual Fall 5k Run/Walk to raise money for students to go to AOTAC
- April: Occupational Therapy Month

Relating to Your Faculty:

- Be aware of what your faculty are researching/journals for possible publication or additional resources

**Check Faculty Research Portfolio and Interactions Notes

Relating to Your Students:

- Gear instruction toward them
- Use their specific assignments if you can
- Use few pronouns when instructing (i.e. “PubMed is important for you because X. PubMed is also helpful with Y. This is how you search in PubMed.”)
